

FORESTER
A C C E S S O R I E S

Make it all
YOURS.

Every Forester comes with a surprisingly high level of specification as standard.

And, because it's a Subaru, its very presence already makes a strong style statement about you as an individual.

Yet for some, true pride of ownership calls for extra finishing touches that make the Forester your very own – totally in tune with your personal preferences and lifestyle.

That's why we offer a wide range of accessories that can enhance still further the aesthetic appeal or pure practicality of the vehicle. The choice is yours, but whatever you select, rest assured: every accessory is designed to harmonise perfectly with your Subaru's styling, and, like the car itself, built to last.
